IV. OFFICER REPORTS

A. President:

- Anyone with uniform issues should contact Julie Cowell immediately. Specifically we are asking that coaches ask their players to report any number peeling issues as soon as possible. We are aware that this has become a problem with some jerseys and would like to find out exactly how many so we may begin to work with uniform supplier to rectify the situation.
- If there are any teams that would like to hold supplemental tryouts during the off-season prior to spring please speak with the Board. We are willing to help arrange tryouts for those teams that may need to add players to their rosters for various reasons.
- There are many options in the works for winter training. We will try to send an email out when all the details are confirmed. Coach Horn will be holding a Sunday night session as will Bruce Hassler in
